Dear Sir/Madam

**Corporation Amendment {Remuneration Disclosures}  
Regulation 2014**

The Group of 100 (G100) is an organization of chief financial officers from Australia's largest business enterprises with the purpose of advancing Australia's financial competitiveness.

The G100 supports the proposed amendments which respond to concerns raised about the issues arising from the drafting of the transfer of some disclosure requirements from accounting standards to the regulations. The proposed amendments remove anomalies and clarify the disclosure requirements.

Yours sincerely  
**Group of 100 Inc**

**Neville Mitchell**  
President
