To whom it may concern,

The role of Queensland Small Business Champion was established by the Queensland Government under the [Advancing Small Business Queensland Strategy 2016–20](#) to provide a voice for Queensland small business and act as an interface between the Queensland and Australian Governments. An additional function of the role is to actively engage with and collaborate on common small business priorities with the state small business commissioners of NSW, Victoria, SA and WA, as well as the Australian Small Business and Family Enterprise Ombudsman (ASBFEO).

I wish to endorse the submission to this consultation including its attachment by ASBFEO dated 12 March 2020. I am in complete agreement with the contents of this submission.

I apologise for the brevity of this email, my limited resources have been understandably side-tracked with responding to small business needs arising through the COVID-19 crisis. However I am satisfied the ASBFEO submission covers all that I wanted to say on behalf of Queensland small business.

Warm regards,
Maree
