Dear Ms Penney,

**Supporting Business Adoption of eInvoicing**

The Corporate Tax Association (**CTA**) is the key representative body representing major companies in Australia on corporate tax issues advocating for a simple and efficient corporate tax system. Further information about the CTA can be found on our website at [www.corptax.com.au](http://www.corptax.com.au). A list of our 144 members can be found [here](#).

The CTA has had the opportunity to consider the [submission](#)<sup>1</sup> prepared by the Business Council of Australia available on their website and supports their submission, particularly on the implementation timeframe. It is consistent with CTA member views and our previous [submission](#) on options for mandatory eInvoicing adoption by business.

Should you have any questions in relation to the above, please do not hesitate to contact me on 0408 028 196.

Yours sincerely,

A handwritten signature in black ink that reads 'Stephanie Caredes'.

Stephanie Caredes  
Senior Tax and Policy Adviser  
Corporate Tax Association
